North Beach Preliminary Supply List - Fall 2016

Please write your child's name on or in the backpack. Do not label the other supplies; they will be shared in the classroom.

This supply list will allow you to begin your school shopping when you see sales this summer. Your classroom teacher may have additional specific requests in the fall. Please try to stay to the recommended sizes due to limited desk space. In the cases where we have requested a specific brand it is because that brand has proven to be superior to others.
