

2016 North Beach Summer Reading Challenge!

We're challenging all students at North Beach to read at least 1000 minutes this summer. The research is overwhelming on the impact summer reading has on student readiness for the upcoming school year. For every 20 minutes read, parents initial one of the boxes below. Students who return their completed forms to school the first week of school will be invited to a popsicle party.

You can find additional copies of the form and information on summer reading programs and resources by going to the North Beach library page at <http://northbeaches.seattleschools.org/library>
