

# School Volunteers Please Read

Thank you for volunteering at Seattle Public Schools. All volunteers must do several things. All except watching the short video must be done every year.

- Complete a volunteer application. This will be kept on file at the school.
- Complete both sides of the Washington State Patrol Background check form and provide a copy of your identification.
- Complete the Volunteer Driver checklist and provide a copy of your insurance information if you anticipate driving on field trips. This step can always be done at a later date if the need arises.
- Read the [Volunteer Hand Book](#) and provide the office a copy of the signed Agreement Form found at the end of the book. The office has blank copies of the signature page as well.

There is a copy of the Volunteer Handbook in the school office or it is available online at:

Seattleschools.org

=> "Families & Community"

=> "Volunteering"

=> "Also read the volunteer handbook" (then choose a language)

- Complete the online course on Adult Sexual Misconduct Prevention and provide the school a copy of your certificate of completion. Viewing the video is only required once while at North Beach. The video is located at: <http://tiny.cc/asmsps>.

These policies are in place for the safety of all the students AND volunteers. We thank you for your participation and your volunteerism at Seattle Public Schools.
